

TENSAI – Magic...where East meets West!

Tensai - A world-class, multi-award-winning act of magic, mystery and Illusion.

In Japanese, Tensai means 'genius'...and the genius of Alan and Caroline Vandome has created one of the most original magic acts in the business.

Alan's Japanese heritage gives Tensai a unique oriental charm - original magic, theatre, music, quick-changes and storytelling, combine to give a unique and exhilarating show where East truly meets West!

Cruise ship entertainment directors call them “A fly-on magic production show” as their 2 x 45 minutes stage-filling shows fit within the Seafarer’s luggage allowance, making them a welcome change for audiences who are looking for something unusual and different.

Their showmanship astounds audiences around the world from The Palace of Mystery at The Magic Castle in Hollywood...to headline billing on top cruise lines, five-star hotels, corporate events and more.

Tensai’s genius lifts them into a different class. Their unique mix of magic, artistry and charm, truly captivate any audience...anywhere in the world!
